Term 1 Sports Report

Congratulations to Lurnea Public school students for their enthusiastic and positive participation in sport during term 1.

A highlight at Lurnea Public School in term 1 was the annual cross country carnival. Students participated enthusiastically and were encouraged with cheers from students in their houses as they crossed the finish line. Many parents attended and also cheered their children on. Fifty-eight students made the Zone team that will compete at Chipping Norton. Thanks to Mrs Norris and Mrs Tarlton for their organisation that helped make a great day.

Years 3 to 6 students participated in the swimming carnival that took place at Fairfield Leisure Centre. Students who attended competed well and were supported by some loud encouragement from their house teams. Thanks to Ms Kristy Wilson for organising a well run swimming carnival.

Eight students were chosen to represent Lurnea at the Zone Swimming Carnival at Birrong Pools. All students were keen competitors and we were proud of their achievements.

Basketball and Oz-tag were the gala day team sports offered in term 1. Mrs Riley and Mrs Robertson were impressed with how well the students who represented the school played as a team no matter the outcome of the game.

Primary students who did not attend Gala Days participated in a large range of sports. Thanks to Mrs Danielle Bussell for her organisation of these activities.

K-2 students enjoyed participating in Friday sport, taking part in skill-based activities such as dance, gymnastics and ball sports.

Mrs Norris & Mrs Tarlton          Mr Joy
Sports Coordinators               Assistant Principal
