Dear Parents and Carers

Best Start Parent Workshop

Your child has been assessed using the Best Start Kindergarten Assessment tool. It helps teachers identify the literacy and numeracy knowledge and skills that each child brings to school as they enter Kindergarten, to inform the development of quality teaching and learning programs.

Soon, you will receive your child’s Parent Feedback report. It provides a snapshot of what your child can do and ways in which you can help your child at home. Throughout the course of the year, your child will have the opportunity to build upon this knowledge and will be continually observed and assessed by the class teacher.

We would like to invite you to a Parent Workshop on Wednesday 26 February at 3.15pm-4.30pm in the School Hall. During the workshop, we will explain the Best Start process, provide hands-on activities that you can use to help your child at home and answer any questions that you may have regarding Best Start. A light afternoon tea will also be provided.

We hope that you are able to attend this valuable workshop and would appreciate if you could RSVP on the slip below by Monday 24 February.

By working together, we can make a difference to your child’s learning.
