19 March 2014

Dear Parents and Carers,

As your child’s primary school education at Lurnea Public School comes to a close, it is time to think about which high school your child will attend next year. Enclosed is the Expression of Interest form that you are required to fill in and return to the school.

Please complete your child’s personal details and sign the declaration. Your child’s designated local school has been written for you, based on your home address. If you are seeking placement at your local school, please sign and return the form to the school.

If you are seeking a placement in a non-local school, please complete Section C with your preferences and the reasons you are selecting that school. Upon completion, please sign and return the form to the school.

All forms need to be returned to Miss Thomas by Friday 21 March 2013. If you have any further questions, please contact the school for support.
