Both meetings will begin in the Library and then move to individual classrooms.

At these sessions, teachers will talk about the expectations they have for their classes. You will find out about your child’s class routines, homework, home reading organisation and units of work to be completed this term and throughout the year.

These sessions will give you the opportunity to ask questions about school and class organisation in general. However, if you wish to have an individual discussion regarding your child, you will need to contact the front office to make an appointment.

We look forward to seeing you!
